### **Delightful Renovated Town House Pedreguer.**

**This Charming and tastefully renovated Town House is located in the Historic Area of Pedreguer.** With four good sized bedrooms, 3 bathrooms, a good sized fully equipped kitchen, and bright sunny lounge makes this ideal as a family home. Entering from the street into a nice hallway leading to the lounge and kitchen area. Effort has been put into adding windows in various places throughout to add natural light in all the rooms, stairs and corridors. A lovely feature is the good sized central courtyard, again tastefully designed, so as to enjoy all day summer and winter sun, an ideal place to relax, for al fresco dining, and take in the stars on a warm summers evening, being central the courtyard leads off the kitchen area making it perfect for

entertaining, or simply family time.
